Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Rehabilitation of Airfield Lighting at Glasgow Airport in fiscal year 2024. The entity to receive funding for this project is Glasgow Municipal Airport (GLW) located at 390 Airport Road, Glasgow, KY, 42141.

The funding would be used to replace airfield lighting at GLW. The current airfield lighting was installed in 2001 and has exceeded its useful life of 12 years. Due to its age, replacement parts are increasingly harder to find. Some parts are no longer available, and the airport must find parts from other airports that had the same system and replaced theirs. The project is an appropriate use of taxpayer funds because the new lighting system would increase safety and reliability. The new modern system would be LED and would cut electric usage by half. Spare and replacement parts would also be more readily available.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brett Guthrie". The signature is written in a cursive style with a horizontal line at the end.
